

# Grace & Truth

You are invited to the 5th annual campus ministry enrichment workshop to be held on the campus of Harding University in Searcy, AR **July 8-11, 2010**. The Campus Ministry United Workshop (CMUW) is the premiere enrichment resource for mission-minded campus ministries serving Churches of Christ. Campus ministers, students, elders - anyone interested in effective campus ministry - will benefit from CMUW content. All are welcomed to attend.

Come fellowship and worship with peers, enjoy listening to great lessons from battle-tested speakers, process what you're learning in interactive breakout groups, and leave with a toolbox full of great stuff to immediately begin using in your ministry back home. Make plans to come - you don't want to miss this!

\* \$35.00 registration fee per person (does not include hotel or dorm costs).

\* Registration tables open at 4pm on Thursday July 8 outside Cone Chapel. Payment accepted at registration tables - cash or check only please.

\* To take advantage of reduced housing rates by staying in a dorm, group leaders should email us by **June 1st** with the number of people in their group broken down by gender. Toiletries & bedding are not provided for groups staying in dorms (you'll need to bring your own).

Email [campusministryunited@gmail.com](mailto:campusministryunited@gmail.com) with any questions.
